CONTRACTS FOR ACREAGE AND PRICE PAID FOR PRODUCTS

The Missouri Dehydration company will make contracts for acreage to supply the twenty ton plant to be erected at Monett not later than January 1, 1922 and will pay the highest market prices on all vegetables and fruit on their contracts alone. The following prices per ton were paid last year:
Tomatoes, \$15.00 to \$17.00; turnips \$15.00; carrots, \$25.00; spinach, \$25.00; raspberries, \$80.00; cabbage, \$15.00; string beans, \$80.00; apples, \$25.00; pumpkins, \$10.00; sweet potatoes, \$15.00.
They will handle all kinds of vegetables grown and will pay market price. However, at the present time they cannot contract 1922 prices as the markets have not been furnished, the same as in wheat, corn and cattle but will make contracts and prices as near as possible not later than March 1st.
All acreage will be contracted to supply twenty tons of fresh products on 8 to 24 hour basis, which means from twenty tons up per day, which will reach 350 to 400 growers. All subscribers desiring acreage contract will be contracted first. Representatives of the plant can be seen at the Broadway Hotel, Monett, for further information. d98t2w9t1
